

# WHAT IS THIS?

It's a low-prep room transformation!

Use the 10 math challenges, included decor, and more for a fun & easy room transformation!

Simply print the academic challenges, put up a few included decor items, and you're ready for a great day!

Room transformations can be stress-free and low-prep.

Keep scrolling to learn how!

# Let's start with the basics...

## What is a classroom transformation?

A classroom transformation changes your room into a certain setting or theme to engage students in their own learning with rigorous content.

Donut Shop Day

Rock Star Day

Camping Day

You don't have to spend hours of your time setting up a room transformation or spend lots of money to make it **SO MUCH FUN!**

# STEP 1:

Tell your class they are farmers today!

They will practice partitioning shapes into halves and fourths in activities set up around the room. You can do this for a day, a few days, or over the course of a week!

Flexibility is key.

Need to modify? No problem! Choose how many centers students will need to complete and what time frame they have to meet YOUR needs.

Set-up is quick and easy.

Simply print the posters, 10 activities, and a recording sheet for each student. Place them around your room and you're ready to begin!

# STEP 2:

Let students move around the room and complete each center. They can be completed in any order. All centers include practicing partitioning shapes into halves and fourths.

## Optional Recording Sheet

When a student finishes a center, you sign that spot on their recording sheet to keep track of what they've completed.

## Freedom to choose.

Students can work in partners, rotations, groups, or independently. Your choice!

# STEP 3:

When students finish all activities you've assigned, they win! You can give them the included certificate, coloring page, or a small prize of your choice.

A shopping guide is also included to give you suggestions of optional "extras" you could add in.

## Remember:

Anything different from a "normal" day in the classroom is special to students! A reward at the end isn't required during a classroom transformation.

Certificate

Coloring Page

In Action Pic

Prize

# STEP 4:

Most of the time, there are early finishers. These kiddos get to go around the room and complete a write the room activity! No one is ever bored.

## How to Use

Name: \_\_\_\_\_

**FIND IT! WRITE IT!** <<<<

A. 		F. 	
B. 	goat	G. 	
C. 		H. 	
D. 		B. 	goat
E. 		J. 	

THE LIFETIME LEARNER

D.    

A.  horse pig

Students write each word they find around the room.

## How to Use

Name: \_\_\_\_\_

**WRITE THE LETTER** <<<<

Letter: 	Letter: 
Letter: 	Letter: <b>B</b> 
Letter: 	Letter: 
B.  I see six cats.	Letter: 
Letter: 	Letter: 

THE LIFETIME LEARNER

G.  The horse C.  The dog has on a bib.  The sheep is next to the ram.

Students find each card and write the correct letter on their recording sheet.

Version 1:  
Words

Choose between  
2 versions!

Version 2:  
Read Sentences

# THE CONTENT:

10 themed math challenges  
aligned to math standards

## PIG CHALLENGE

The pigs are sliding around in the mud! They have messed up their pig pen and made it way too muddy!

Draw lines to cut the pig pen into fourths.

How many pieces do you have?

Are the pieces equal?

## GOOSE CHALLENGE

Some geese only want to swim in certain ponds.

Color the ponds cut in half light blue.

Color the ponds cut in quarters dark blue.

## FROG CHALLENGE

Help the frogs on the farm below.

Draw a line to make 2 equal shares.

Draw a line to make 4 equal shares.

Draw 2 lines to make 4 equal shares.

# HOW TO USE THIS:

## Ideas for Implementation:

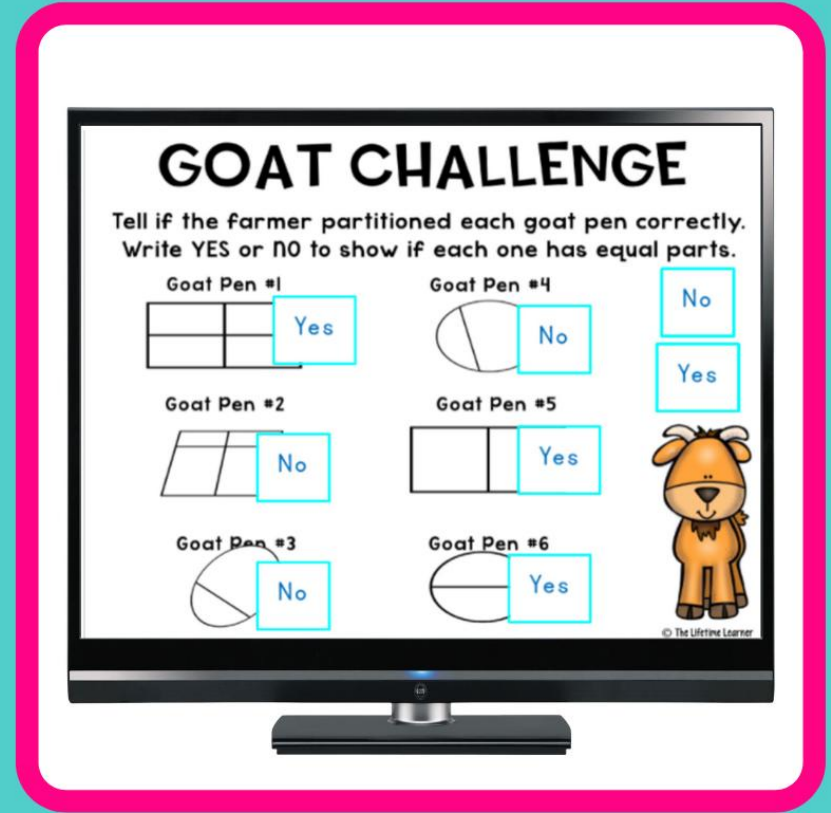

- pick and choose the centers you want to use: do what works best for your class!
- you can have students work individually, in partners, or small groups--any way works!
- give students 1-2 hours to complete all 10 activities
- give less than 10 challenges to students if you are short on time
- OR spread the room transformation out over a couple of days

# Every activity relates to real-life mathematics!

## PIG CHALLENGE

The pigs are sliding around in the mud! They have made their pig pen and made it way too muddy!

## ROOSTER CHALLENGE

The rooster needs your help. He wants to eat half of each animal's food. Help him cut each shape in half.

## COWS CHALLENGE

The cows need your help. They each think they split the hay into halves correctly. Who is right? Tell why!

## CAT & DOG CHALLENGE

The cat says the circle is broken in half. The dog says the circle is broken in quarters.

## HORSE CHALLENGE

Circle how each horse's hay has been cut.

quarters halves

## FROG CHALLENGE

Help the frogs on the farm below.

Draw a line to make 2 equal shares.

## CHICKEN CHALLENGE

Split the chicken coop into four equal parts.

Color half of the square red.  
Color half of the square blue.

Split the chicken coop into four equal parts.

## GOOSE CHALLENGE

Some geese only want to swim in certain ponds.

Color the ponds cut in half light blue.

Color the ponds cut in quarters dark blue.

## GOAT CHALLENGE

The farmer partitioned each goat pen correctly. Circle NO to show if each one has equal parts.

Goat Pen #1

Goat Pen #4

**focuses on:**  
partitioning shapes into halves and fourths

# COW CHALLENGE

The cows need your help. They each think they split the hay bin into halves correctly. Who is right? Tell why!

They are all correct. Each shape is the same size but is cut

# ROOSTER CHALLENGE

The rooster needs your help. He wants to eat half of each animal's food. Help him cut each shape in half.

# SHEEP CHALLENGE

Tell what each sheep pen has been broken into in word form.

Halves

Quarters Or Fourths

# GOAT CHALLENGE

Tell if the farmer partitioned each goat pen correctly. Write YES or NO to show if each one has equal parts.
