

WHAT IS THIS?

It's a low-prep room transformation!

Simply print the 10 phonics activities, put up a few included decor items, and you're ready for a great day!

This themed learning day has 10 centers that all give phonics practice with double consonants (floss rule). You can use 1, 5, or all 10--it's flexible!

Room transformations can be stress-free and low-prep.

Keep scrolling to learn how!

Let's start with the basics...

What is a classroom transformation?

A classroom transformation changes your room into a certain setting or theme to engage students in their own learning with rigorous content.

Donut Shop Day

Rock Star Day

Camping Day

You don't have to spend hours of your time setting up a room transformation or spend lots of money to make it **SO MUCH FUN!**

STEP 1:

Tell your class they are in a circus today!

They will complete double consonant activities set up around the room. You can do this for a day, a few days, or over the course of a week!

Circus Day

Center #1	Center #6
Center #2	Center #7
Center #3	Center #8
Center #4	Center #9
Center #5	Center #10

COLOR THE RHYMES

Color each box the same color as the word it rhymes with.

flap	mess	miss	glass
floss	mess	miss	glass
flap	mess	miss	glass
floss	mess	miss	glass

Flexibility is key.

Need to modify? No problem!
Choose how many centers students will need to complete and what time frame they have to meet YOUR needs.

Set-up is quick and easy.

Simply print the posters, 10 activities, and a recording sheet for each student. Place them around your room and you're ready to begin!

STEP 2:

Let students move around the room and complete each center. They can be completed in any order. All centers include practice with double consonants (FF, LL, SS, ZZ). Some centers also include phonemic awareness skills such as rhyming, identifying sounds, blending phonemes, phoneme addition/removal/substitution, and more!

Optional Recording Sheet

When a student finishes a center, you sign that spot on their recording sheet to keep track of what they've completed.

Freedom to choose.

Students can work in partners, rotations, groups, or independently. Your choice!

STEP 3:

When students finish all activities you've assigned, they win! You can give them the included certificate, coloring page, or a small prize of your choice.

A shopping guide is also included to give you suggestions of optional "extras" you could add in.

Remember:

Anything different from a "normal" day in the classroom is special to students! A reward at the end isn't required during a classroom transformation.

STEP 4:

Most of the time, there are early finishers. These kiddos get to go around the room and complete a write the room activity! No one is ever bored.

HOW TO USE THIS:

Ideas for Implementation:

- pick and choose the centers you want to use: do what works best for your class!
- give less than 10 centers to students if you are short on time
- give students the whole day to complete all 10 centers/activities OR spread the room transformation out over a couple of days
- use the hands-on centers during your room transformation and the no-prep printables as a review during your reading block
