

WHAT IS THIS?

It's a low-prep room transformation!

Simply print the 10 phonics activities, put up a few included decor items, and you're ready for a great day!

This themed learning day has 10 centers that all give phonics practice with reviewing many phonic skills. You can use 1, 5, or all 10--it's flexible!

Room transformations can be stress-free and low-prep.

Keep scrolling to learn how!

Let's start with the basics...

What is a classroom transformation?

A classroom transformation changes your room into a certain setting or theme to engage students in their own learning with rigorous content.

Donut Shop Day

Rock Star Day

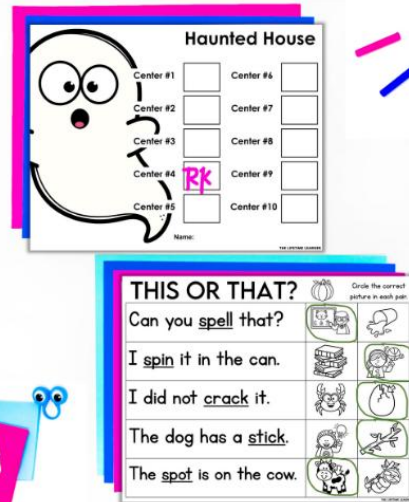

Camping Day

You don't have to spend hours of your time setting up a room transformation or spend lots of money to make it **SO MUCH FUN!**

STEP 1:

Tell your class it is
Halloween today!

They will complete a review of many phonic skills activities set up around the room. You can do this for a day, a few days, or over the course of a week!

Flexibility is key.

Need to modify? No problem!
Choose how many centers students will
need to complete and what time frame
they have to meet YOUR needs.

Set-up is quick and easy.

Simply print the posters, 10 activities, and a
recording sheet for each student. Place them
around your room and you're ready to begin!

STEP 2:

Let students move around the room and complete each center. They can be completed in any order. All centers include practice with reviewing many phonic skills. Some centers also include phonemic awareness skills such as rhyming, identifying sounds, blending phonemes, phoneme addition/removal/substitution, and more!

Optional Recording Sheet

When a student finishes a center, you sign that spot on their recording sheet to keep track of what they've completed.

Freedom to choose.

Students can work in partners, rotations, groups, or independently. Your choice!

STEP 3:

This part is optional but SO MUCH FUN!

After students complete each center, I have them pull out a chance card.

If the card says "Trick", they put their hand in a Halloween "Trick Bag".

If the card says "Treat", they get a piece of candy.

What's in the Trick Bags?

There are things like marshmallows (ghost poop), carrots (monster toes), and a glove filled of flour (Frankenstein's hand). The resource includes ten bag labels and a shopping list of exactly what you'll need to fill them up.

STEP 4:

When students finish all activities you've assigned, they win! You can give them the included certificate, coloring page, or a small prize of your choice.

A shopping guide is also included to give you suggestions of optional "extras" you could add in.

Remember:

Anything different from a "normal" day in the classroom is special to students! A reward at the end isn't required during a classroom transformation.
