

WHAT IS THIS?

It's a low-prep room transformation!

Use the 10 math challenges, included decor, and more for a fun & easy room transformation!

Simply print the academic challenges, put up a few included decor items, and you're ready for a great day!

Room transformations can be stress-free and low-prep.

Keep scrolling to learn how!

Let's start with the basics...

What is a classroom transformation?

A classroom transformation changes your room into a certain setting or theme to engage students in their own learning with rigorous content.

Donut Shop Day

Rock Star Day

Camping Day

You don't have to spend hours of your time setting up a room transformation or spend lots of money to make it **SO MUCH FUN!**

STEP 1:

Tell your class they are artists today!

They will practice place value within 1000 in activities set up around the room. You can do this for a day, a few days, or over the course of a week!

Flexibility is key.

Need to modify? No problem!
Choose how many centers students will need to complete and what time frame they have to meet YOUR needs.

Set-up is quick and easy.

Simply print the posters, 10 activities, and a recording sheet for each student. Place them around your room and you're ready to begin!

STEP 2:

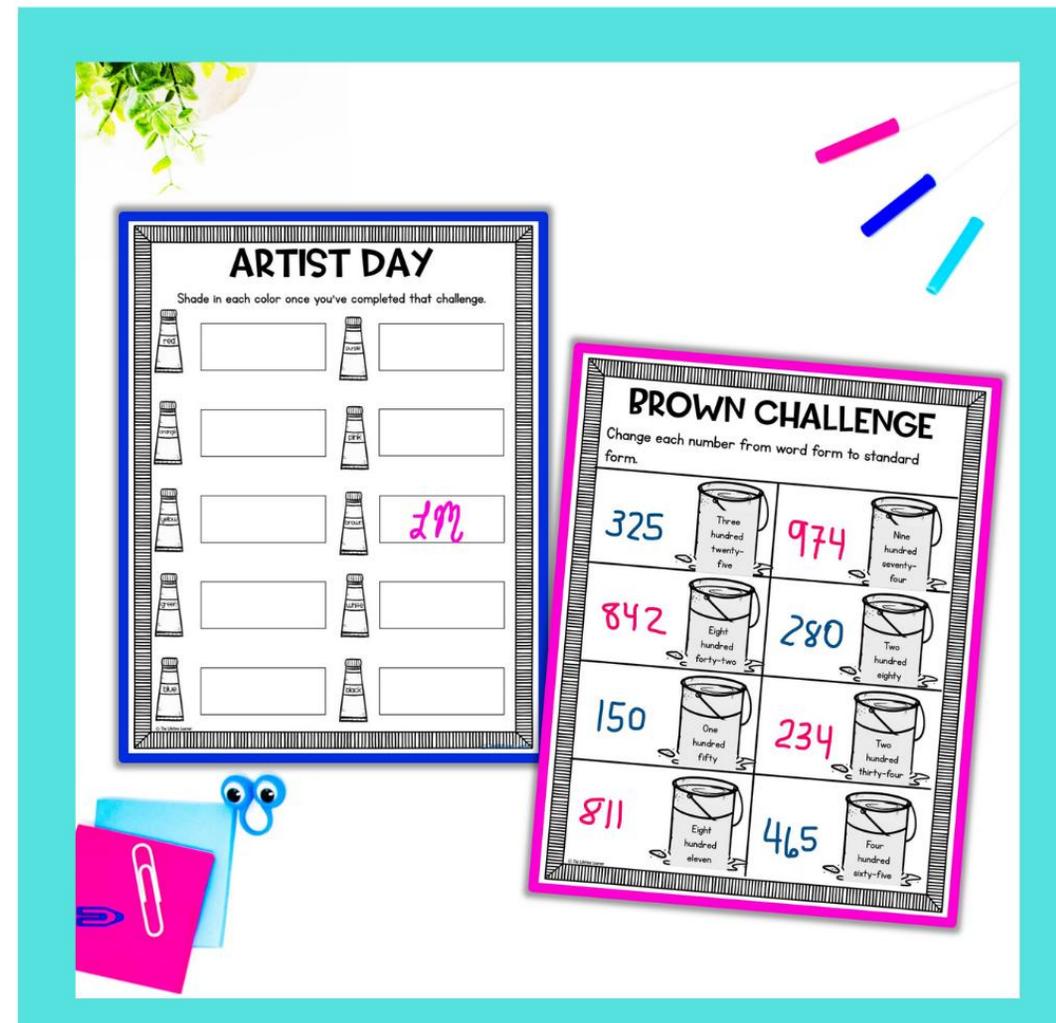

Let students move around the room and complete each center. They can be completed in any order. All centers include practice with place value within 1000.

Optional Recording Sheet

When a student finishes a center, you sign that spot on their recording sheet to keep track of what they've completed.

Freedom to choose.

Students can work in partners, rotations, groups, or independently. Your choice!

STEP 3:

When students finish all activities you've assigned, they win! You can give them the included certificate, coloring page, or a small prize of your choice.

A shopping guide is also included to give you suggestions of optional "extras" you could add in.

Remember:

Anything different from a "normal" day in the classroom is special to students! A reward at the end isn't required during a classroom transformation.

Prize

STEP 4:

Most of the time, there are early finishers. These kiddos get to go around the room and read fun facts about the topic! No one is ever bored.

THE CONTENT:

10 themed math challenges
aligned to math standards

PINK CHALLENGE

Write each number in standard form below each place value drawing.

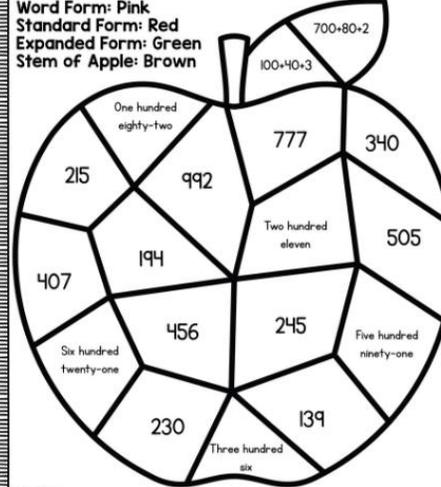

The Pink Challenge features six place value charts, each on a separate easel. Each chart has columns for thousands, hundreds, tens, and ones, with a grid of dots for students to write numbers in standard form.

ORANGE CHALLENGE

You drew this apple and filled it in with different number forms. Color it in based on the key.

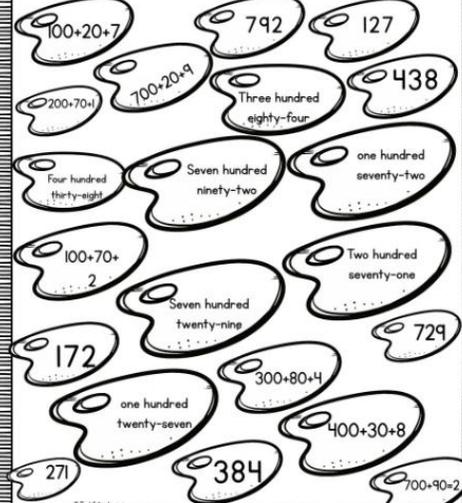

Word Form: Pink
Standard Form: Red
Expanded Form: Green
Stem of Apple: Brown

The Orange Challenge is an apple-shaped activity. The apple is divided into sections, each containing a number or a math problem. The sections are: 215, 992, 777, 340, 407, 194, Two hundred eleven, 505, Six hundred twenty-one, 456, 245, Five hundred ninety-one, 230, Three hundred six, 139, 700-80+2, 100+40+3, and 200+70+1. A key indicates that Word Form is pink, Standard Form is red, Expanded Form is green, and the Stem of Apple is brown.

WHITE CHALLENGE

Color the palettes that go together the same color.

The White Challenge features several palettes, each with a number or a math problem. The palettes are: 100+20+7, 792, 127, 200+70+1, 700+20+9, Three hundred eighty-four, 438, Four hundred thirty-eight, Seven hundred ninety-two, one hundred seventy-two, 100+70+2, Seven hundred twenty-nine, Two hundred seventy-one, 172, 729, one hundred twenty-seven, 300+80+4, 400+30+8, 271, 384, and 700+90+2.

HOW TO USE THIS:

Ideas for Implementation:

- pick and choose the centers you want to use: do what works best for your class!
- you can have students work individually, in partners, or small groups--any way works!
- give students 1-2 hours to complete all 10 activities
- give less than 10 challenges to students if you are short on time
- OR spread the room transformation out over a couple of days

GREEN CHALLENGE			
Figure out which form is written WRONG. Then color the palette based on the key.			
Standard Form is Wrong: Red Word Form is Wrong: Yellow Expanded Form is Wrong: Green Place Value Drawing is Wrong: Blue			
Standard Form 279	Word Form Two hundred seventy-seven	Expanded Form $200+70+9$	Place Value Drawing
Standard Form 186	Word Form One hundred eighty-six	Expanded Form $100+80+6$	Place Value Drawing
Standard Form 302	Word Form Three hundred two	Expanded Form $300+20$	Place Value Drawing
Standard Form 515	Word Form Five hundred fifty-one	Expanded Form $500+50+1$	Place Value Drawing

Every activity relates to real-life mathematics!

BLUE CHALLENGE

Fill out each box for each number

Standard Form Word Form Expanded Form

PURPLE CHALLENGE

Write true or false next to each expanded form statement. If you write false, rewrite the statement so the statement is true.

936 is written as $900+30+6$ 412 is written as $400+20+10$

BLACK CHALLENGE

542 is written $5+4+2$ in expanded form. Is it wrong? Explain why.

YELLOW CHALLENGE

Write each number in word form

WHITE CHALLENGE

Color the palettes that go together the same color.

RED CHALLENGE

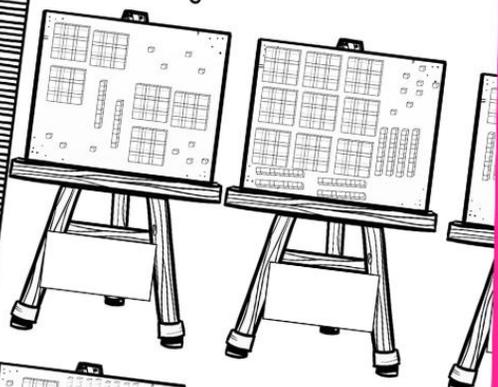

Place value drawing for each number below.

12

518

PINK CHALLENGE

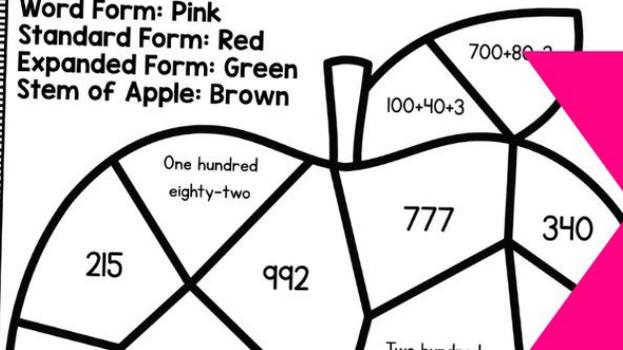

Write each number in standard form and place value drawing.

ORANGE CHALLENGE

You drew this apple and filled it in with different number forms. Color it in based on the key.

Word Form: Pink
Standard Form: Red
Expanded Form: Green
Stem of Apple: Brown

BROWN CHALLENGE

Write each number from word form to standard

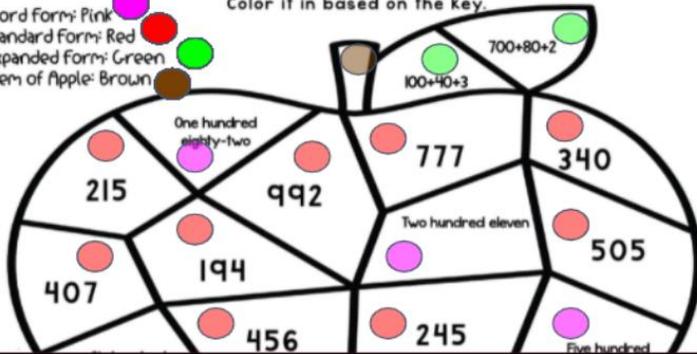

focuses on:
place value
within 1000

ORANGE CHALLENGE

You drew this apple and filled it in with different number forms. Color it in based on the key.

Word Form: Pink
Standard Form: Red
Expanded Form: Green
Stem of Apple: Brown

GREEN CHALLENGE

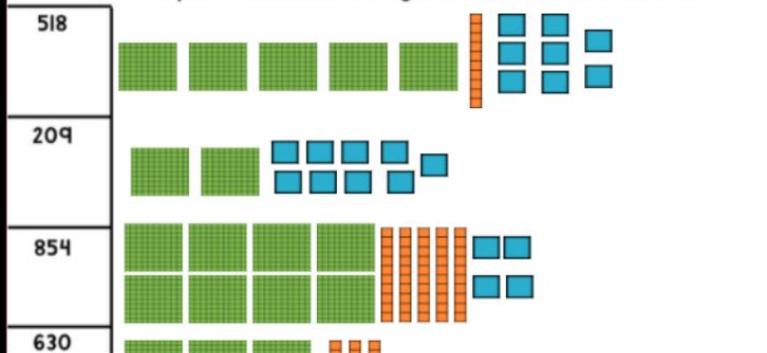

Figure out which form is written **WRONG**. Then color the palette based on the key.

Standard Form is Wrong: Red
Word Form is Wrong: Yellow
Expanded Form is Wrong: Green
Place Value Drawing is Wrong: Blue

Standard Form 279	Word Form Two hundred ninety-seven	Expanded Form 200+70+9	Place Value Drawing 	
Standard Form 186	Word Form One hundred eighty-six	Expanded Form 100+80+6	Place Value Drawing 	
Standard Form 302	Word Form three hundred two	Expanded Form 300+20	Place Value Drawing 	

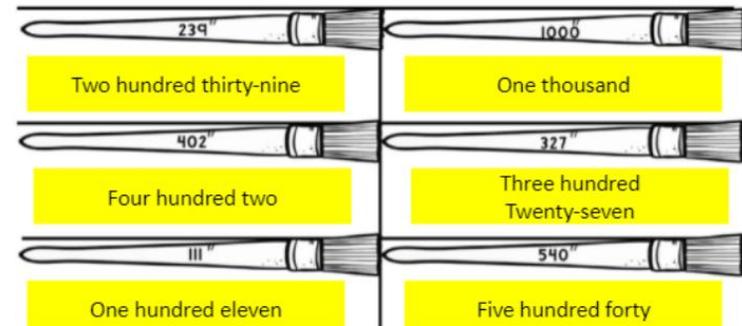

RED CHALLENGE

Draw a place value drawing for each number below.

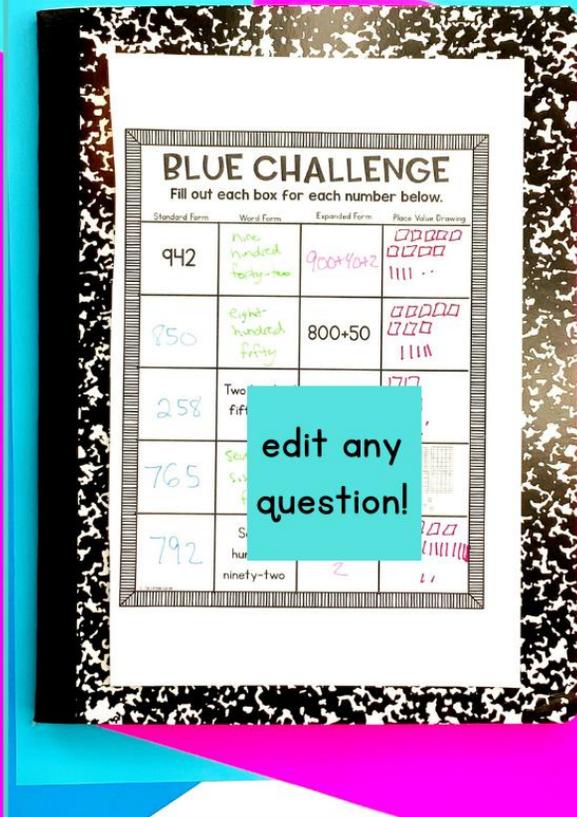

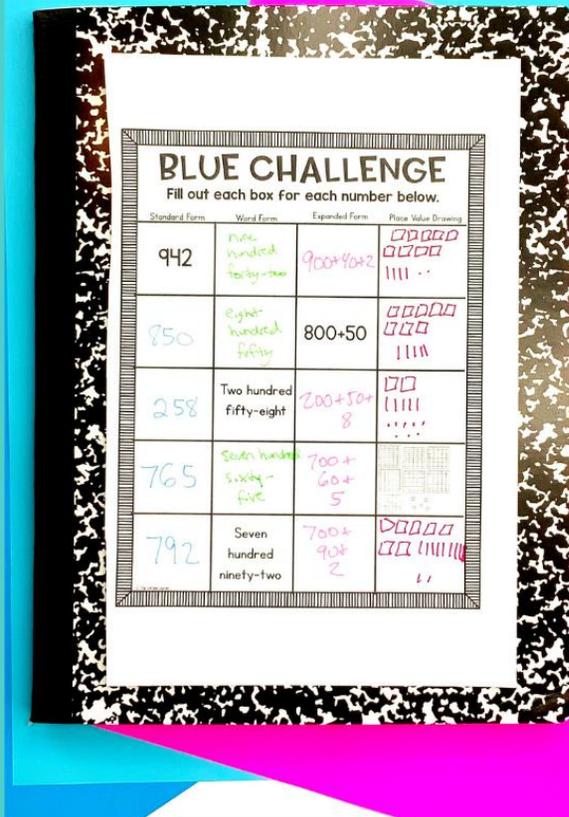

YELLOW CHALLENGE

Write each number in word form.
