

WHAT IS THIS?

It's a low-prep room transformation!

Room transformations can be stress-free and low-prep.

Keep scrolling to learn how! ↓

Let's start with the basics...

What is a classroom transformation?

A classroom transformation changes your room into a certain setting or theme to engage students in their own learning with rigorous content.

Donut Shop Day

Rock Star Day

Camping Day

You don't have to spend hours of your time setting up a room transformation or spend lots of money to make it **SO MUCH FUN!**

STEP 1:

Tell your class they are in an ice cream shop today!

They will complete Letter I activities set up around the room. You can do this for a day, a few days, or over the course of a week!

4	T	J	H	J	H	T	J
5	T	J	H	J	H	T	J
6	J	T	I	h	J	H	T

Set-up is quick and easy.

Simply print the posters, 10 activities, and a recording sheet for each student. Place them around your room and you're ready to begin!

Flexibility is key.

Need to modify? No problem! Choose how many centers students will need to complete and what time frame they have to meet YOUR needs.

STEP 3:

When students finish all activities you've assigned, they win! You can give them the included certificate, coloring page, or a small prize of your choice.

I reward my students with a small prize at the end.

Remember:

Anything different from a "normal" day in the classroom is special to students! A reward at the end isn't required during a classroom transformation.
