

WHAT IS THIS?

It's a low-prep room transformation!

Simply print the 10 phonics activities, put up a few included decor items, and you're ready for a great day!

This themed learning day has 10 centers that all give letter practice with E, G, J, K, L, Q, R, U, V, W, X, Y, and Z. You can use 1, 5, or all 10--it's flexible!

Room transformations can be stress-free and low-prep.

Keep scrolling to learn how!

Let's start with the basics...

What is a classroom transformation?

A classroom transformation changes your room into a certain setting or theme to engage students in their own learning with rigorous content.

Donut Shop Day

Rock Star Day

Camping Day

You don't have to spend hours of your time setting up a room transformation or spend lots of money to make it **SO MUCH FUN!**

STEP 1:

Tell your class they are on a safari today!

They will complete second half of the alphabet activities set up around the room. You can do this for a day, a few days, or over the course of a week!

Set-up is quick and easy.

Simply print the posters, 10 activities, and a recording sheet for each student. Place them around your room and you're ready to begin!

Flexibility is key.

Need to modify? No problem! Choose how many centers students will need to complete and what time frame they have to meet YOUR needs.

STEP 2:

Let students move around the room and complete each center. They can be completed in any order. All centers include practice with the second half of the alphabet. The letters included are: E, G, J, K, L, Q, R, U, V, W, X, Y, and Z.

Optional Recording Sheet

When a student finishes a center, you sign that spot on their recording sheet to keep track of what they've completed.

Freedom to choose.

Students can work in partners, rotations, groups, or independently. Your choice!

The image displays several educational materials. At the top right, there are three large, colorful arrow shapes pointing right in shades of pink, blue, and cyan. Below these, on the left, is a cartoon illustration of a safari guide wearing a hat and holding binoculars. To the right of the guide is a recording sheet titled "Safari Day" with ten numbered boxes for tracking center completion. Center #4 is marked with a pink "OC". Below the recording sheet is a worksheet titled "3 CHOICES" with the instruction "Circle the correct picture in each row." It contains two columns of three rows each, each starting with a letter and followed by three small images. The first column starts with L, K, and J. The second column starts with K, J, and L. Some images are circled in pink or green. In the bottom left corner, there is a pink folder with a paper clip and a blue paper airplane.

When students finish all activities you've assigned, they win! You can give them the included certificate, coloring page, or a small prize of your choice.

A shopping guide is also included to give you suggestions of optional "extras" you could add in.

Remember:

Anything different from a "normal" day in the classroom is special to students! A reward at the end isn't required during a classroom transformation.
