HOW IT WORKS

Teach once. Use all year. 🔽

Start the year with 5 easy-to-learn games then simply swap out old skills for new ones as your students grow! 🥏

The <u>format stays the same</u> while the math changes all year long! 🙌

Teacher-Loved.

There's something for every skill we cover in kindergarten. I've used these for counting, addition, geometry you name it. -Mrs. K

Student-Approved.

My students stay focused longer with these than anything else I've tried. They think they're just playing games—but they're reviewing so much! -Ms. Clark

Classroom -Tested.

These work perfectly for early finishers, math centers, and even when I need a last-minute sub plan. So versatile!

-Mrs. T
