

# UP CLOSE LOOK!

EACH PUZZLE HAS 12  
PROBLEMS TO SOLVE

# DIGITAL VERSION

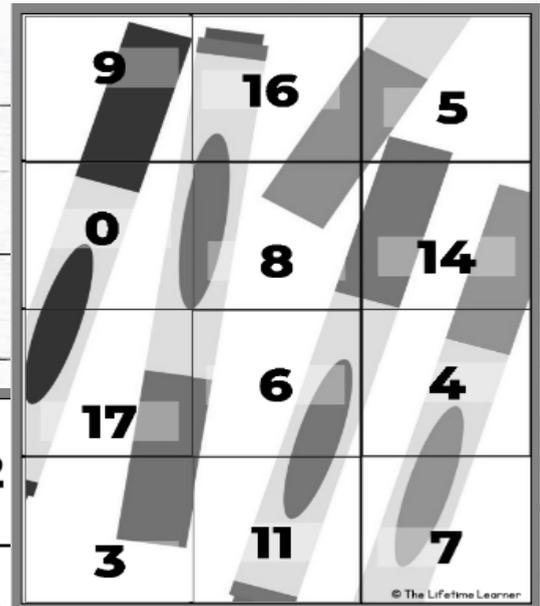

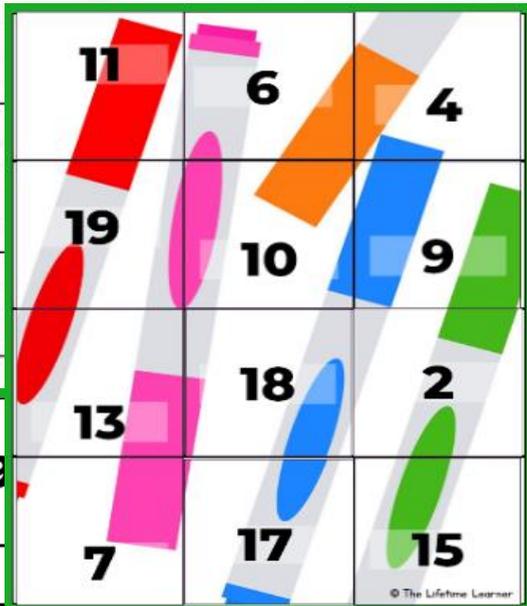

The image shows a digital math activity on a tablet screen. The main content is a 3x3 grid with the following numbers and equations:

11	0	15
$13+7$	17	14
8	$13+6$	12

The grid is decorated with a red and white checkered banner across the middle row. To the right of the grid are two separate boxes with numbers 19 and 20. A blue selection box is visible over the number 14 in the grid. The copyright notice "© The Lifetime Learner" is at the bottom right of the grid.

<b>Puzzle 7</b>	<b>Puzzle 8</b>	<b>Puzzle 9</b>
<b>Puzzle 10</b>		<b>PRIZE!</b>

© The Lifetime Learner

I print off this page for each child at the beginning of the month. Anyone can complete the puzzles in their free time throughout the week and it makes a great filler activity when students finish early.

Students come to me each time they finish a puzzle and I sign the box they completed. When they finish all puzzles, I give them a prize like eraser/bookmark!

# WHY BUY?

**fact fluency practice**

**fun and engaging**

**aligned to common core**

**easy to use format**

**print, cut, and play**

**2 versions for printing**

**self-checking**

**digital version**

**360 games included**
